SELLING YOUR HOME?

3 TOP TIPS (For fellow Northfield residents)

1. TALK TO AT LEAST 3 AGENTS. It doesn't cost you anything. You will be surprised at the difference you see between them.
2. DON'T THINK THAT THE AGENT WITH THE HIGHEST PRICE WILL GET THAT PRICE FOR YOU. Set the price too high, your home won't sell. Ask to be shown details of the comparable properties used in the price analysis.
3. ASK FOR A MARKETING PLAN. Price and exposure are the two main factors influencing how quickly a property sells. Ask each agent how and where they market and ask for examples.
